

# Directions to SKF's new Götaholm head office

Sven Wingquists gata 2

## By car:

Visitors arriving by car should drive in via Solutions Factory's open gate on Von Utfallsgatan 2, follow the road straight past the building and turn right when the road splits into two.

Then turn left at the crossing. Follow the road for a short while until you see Götaholm.

Turn into the visitors car park, which is signposted to the right of the entrance.

If you are arriving by taxi, ask the driver to take you to Hornsgatan 1, by the old HK3 office and then cross the bridge on the short side of the HK3 building.

If you stay late, this is also a convenient solution, as you can still easily leave through the gate at that time. The car gate closes at 17:30 for entrance, but you can always leave through it.

## By public transport:

If you are arriving by public transport, travel to the SKF stop.

Then walk towards Hornsgatan past Systembolaget and the large car park, and then continue past the HK3 building (former SKF headquarters) along the road.

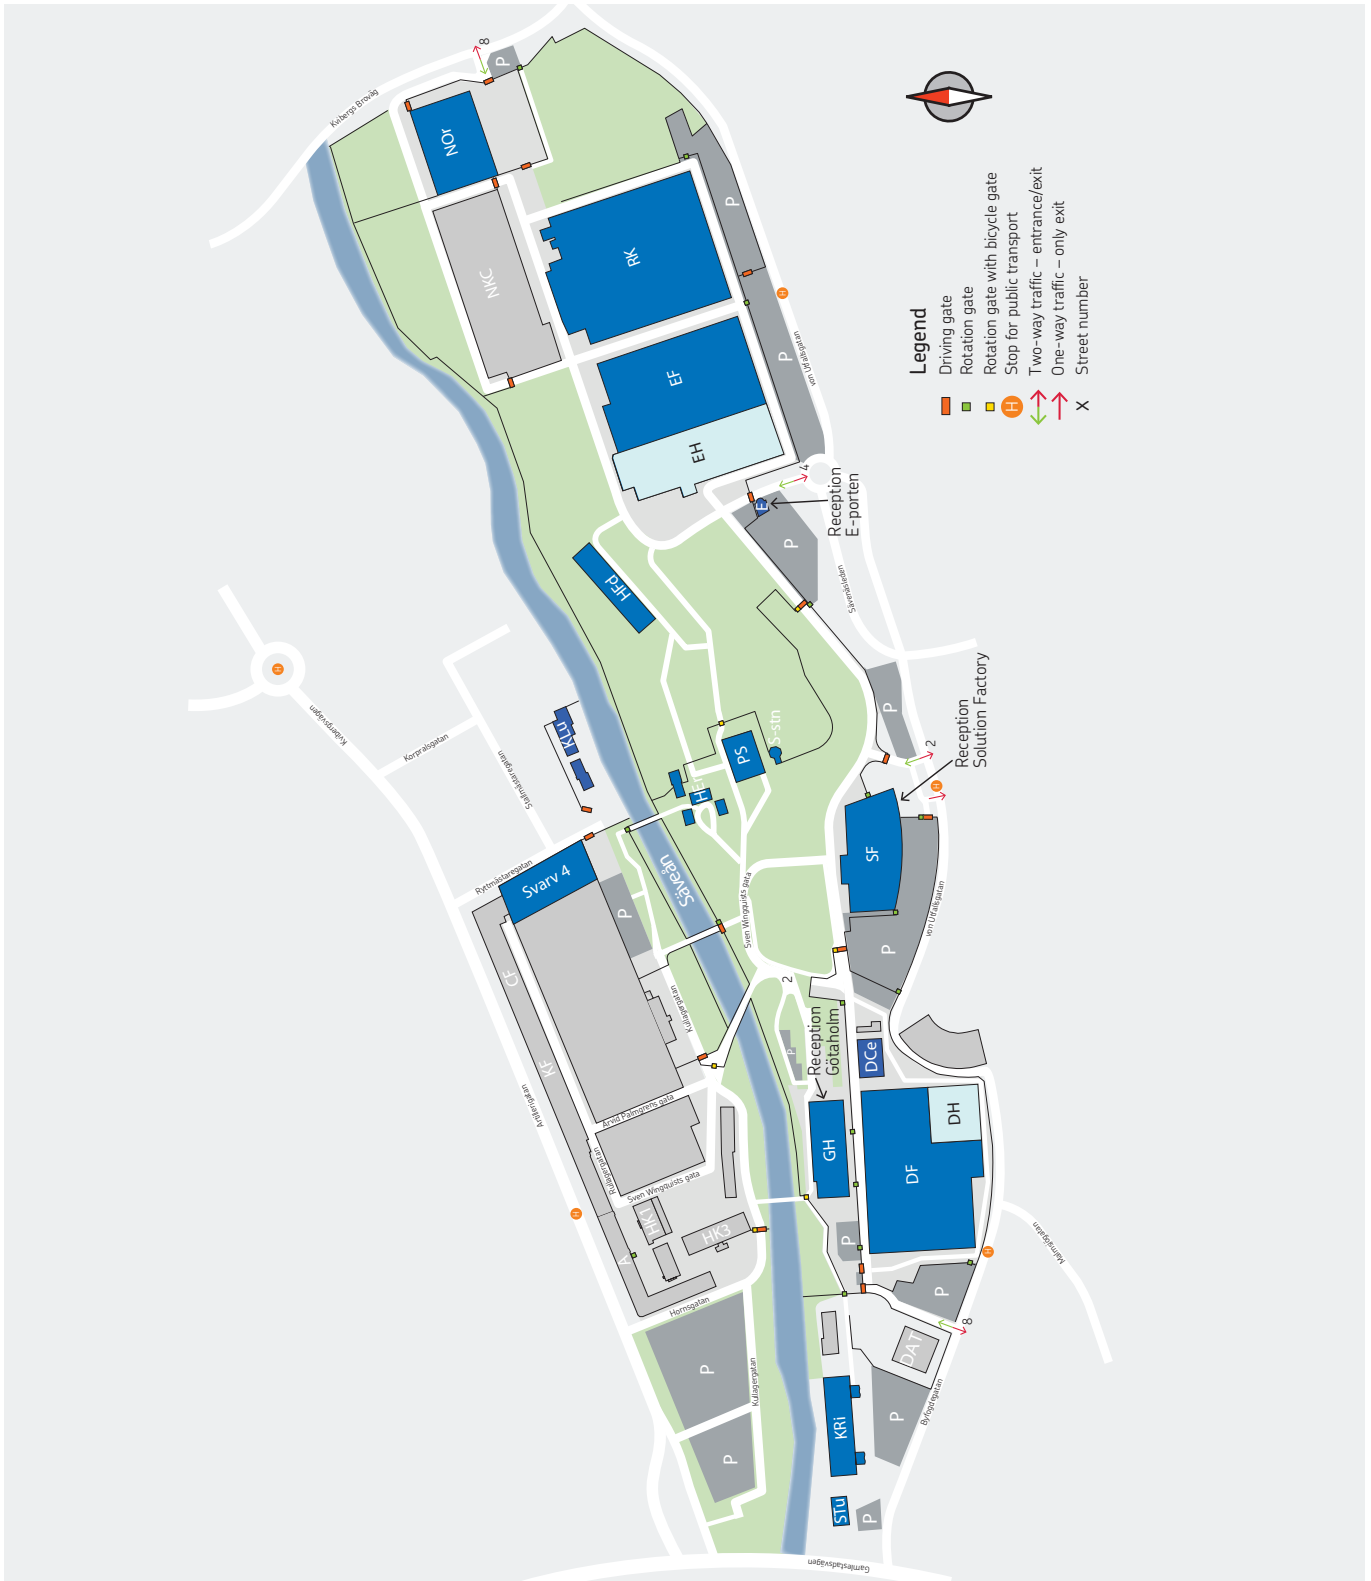

Walk over the pedestrian bridge on the short side of the building. Walk around the building to the left towards the main entrance.

The pedestrian gate, bicycle gate and entrance to Götaholm are open weekdays 07:00-17:30.

Reception: staffed between 07:00 and 17:00
